Jeff:

What is the procedure on this? Should we have gotten the CDs?

Today, Weston delivered several final reports for me to review. Listed on the envelope was the Removal Assessment Report for CES Environmental Services – ***but the CDs were not included***. I have checked the report in Team Link. There will be three sections to review when the final CD does arrive – Photographs, and two sections of Data Packages. Otherwise I found all to be in order.

Please let them know ***we did not get the CDs*** and order the CDs to be delivered to me in accordance to your needs. Would appreciate a heads up when to expect them.

Thanks!
